The Unique Sounds of Porsche

Beitrag von „Albert Motorsport“ vom 17. April 2022, 20:38

> Zitat von 9magazin
>
> Many people could recognize the sound of a Porsche even when blindfolded. Now, with the introduction of electric vehicles and specifically the Porsche Taycan, things are changing. The future is here.
>
> **Here are some Porsche sound clips for your listening enjoyment.**
> **Porsche Taycan**
