

Duotone launches first Porsche Edition kite

Beitrag von „Albert Motorsport“ vom 18. Oktober 2022, 09:00

Zitat von Porsche News International

Sportiness, precision and pushing boundaries – there are many parallels between Porsche and kitesurfing. This is one of the reasons why the brand has been involved in the continuing development of the sport since last year, with one of the main elements being its collaboration with leading kitesurfing manufacturer Duotone.
