

Porsche 993 Upgrade to 993 Turbo - Some questions

Beitrag von „Albert Motorsport“ vom 17. Juni 2026, 11:12

Dear Albert-Motorsport, Team

I would like to upgrade the whole engine form my 1997 - 993 Porsche 3.6 liter.

Would you recommend a turbo upgrade or to sell and by the original turbo Porsche?

Thank you,

Best regards
