1982 Porsche 930 Turbo with a sequential gearbox or dog-engagement gearbox

Beitrag von „Albert Motorsport“ vom 12. November 2026, 20:34

Dear Sir or Madam,

I compete in motorsport events with a 1982 Porsche 930 Turbo.
I am looking for a specialist who can build or supply a suitable sequential gearbox or dog-engagement gearbox for this car.

Could you please let me know whether you can assist and what options you offer?

Thank you in advance for your response. E.
