Do you have a Porsche Cayman S 987.1 engine in stock?

Beitrag von „Frage -> Antwort“ vom 1. April 2022, 10:38

Hello,

do you happen to have off the shelf cayman s #987.1
engine which has been rebuilt and had the bore scoring
ims issue covered?

As my current engine is suffering an initial ims failure.

Note : I am located in #Saudi

Kind regards
