

Und täglich grüßt das Murmeltier ...

Beitrag von „Albert Motorsport“ vom 5. Juni 2023, 12:52

There is no high-performance upgrade kit available...

.... for the latest 20" wheel Porsche models. The dimensions of the required system are (friction ring *dia/thick/height* in mm):

Front: 405/34/50

Rear: 405/30/46

6-piston calipers front and rear with R=2 (largest/smallest piston area ratio) and front/rear overall piston area ratio 3/2 as usual.
