

# The Unique Sounds of Porsche

Beitrag von „Albert Motorsport“ vom 17. April 2022, 20:38

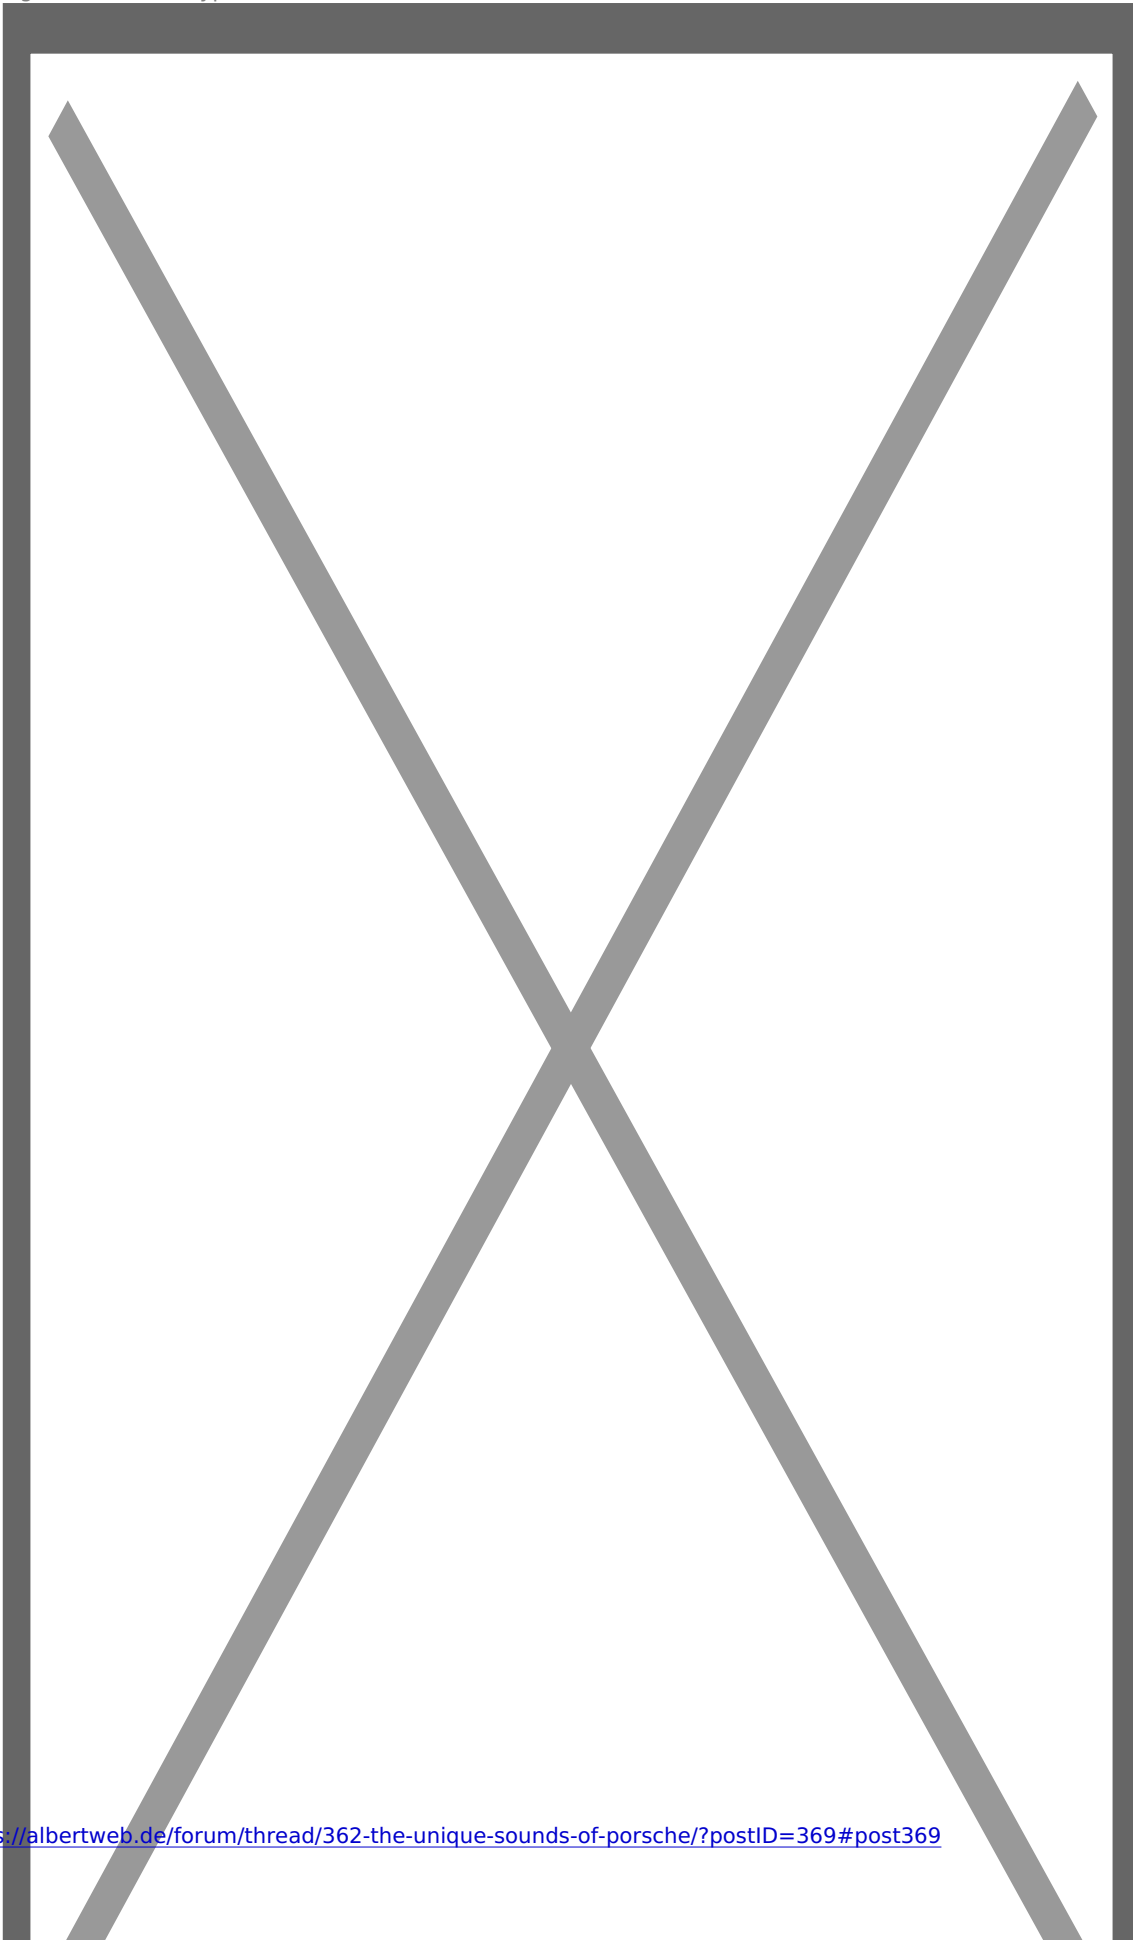

[Zitat von 9magazin](#)

Many people could recognize the sound of a Porsche even when blindfolded. Now, with the introduction of electric vehicles and specifically the Porsche Taycan, things are changing. The future is here.

**Here are some Porsche sound clips for your listening enjoyment.**

**Porsche Taycan**
