

Porsche and Audi form Premium Charging Alliance in Japan

Beitrag von „Albert Motorsport“ vom 20. April 2022, 09:00

[Zitat von Porsche News International](#)

Joining forces to drive electromobility forward: Porsche Japan and Audi Japan build a Premium Charging Alliance business partnership to expand the 150kW rapid charging station network across Japan. Thanks to this alliance, rapid charging stations run by both companies will be available to both Porsche and Audi own-ers starting July 1, 2022.
