

World premiere of the Cross Turismo: the all-rounder among electric sports cars

Beitrag von „Albert Motorsport“ vom 4. März 2021, 17:02

[Zitat von Champion Motorsport](#)

Porsche drives forward electric offensive with new variant of the Taycan The sports car manufacturer is expanding the product portfolio of its first all-electric sports car range with the addition of this versatile off-road version, thereby continuing the systematic pursuit of its path towards sustainable mobility. Like the Taycan sports saloon, the Taycan Cross Turismo [...]
