

As versatile as the vehicle: the testing programme for the Taycan Cross Turismo

Beitrag von „Albert Motorsport“ vom 2. März 2021, 19:01

[Zitat von Champion Motorsport](#)

Last extreme tests shortly before the world premiere The Porsche Taycan Cross Turismo is currently completing its last test drives. The extensive Porsche testing programme has taken place on race tracks such as the Nürburgring Nordschleife and the Grand Prix track in Hockenheim (both in Germany) as well as on testing grounds worldwide – including [...]
