

Capturing spectacular moments: Porsche expands the Track Precision app

Beitrag von „Albert Motorsport“ vom 30. März 2022, 09:00

[Zitat von Porsche News International](#)

Every Porsche is at home on the race track. But since the majority of Porsche drivers use their cars on mountain passes, coastal roads or other idyllic routes, the Porsche Track Precision app (PTPA) no longer focuses solely on closed-off ribbons of asphalt: starting now, the integrated Free Drive mode makes it possible to record particularly beautiful moments on every drive so that they can be enjoyed again and again.
