Is my Porsche 996 Engine to repair?

Beitrag von „KUNDE“ vom 22. Dezember 2022, 01:38

Dear Sir or Madam,

I have engine damage on my Porsche 996 and would like to ask if you can still repair the engine.

Many greetings

Dear Mr Inxxxxx

this engine is unfortunately no longer repairable because the block is completely #mechanically #destroyed. The effort is so great that we recommend #installing a new or used# engine from #Porsche or an #accident #car etc.

If we can help you, then
we would like to do that.

Thank you for your request.
