I want to order 981 GT4 model exhaust and manifold.

Beitrag von „Frage -> Antwort“ vom 1. April 2022, 10:30

i want to order 981 GT4 model exhaust and manifold. Is it same exhaust and manifold as 981 normal S/GTS?

exhaust and manifold 981 normal S/GTS also can fit 981 GT4 model ?

Pls see attached photo for ref

B.Rgds

Hello Mr. Friedlich,

this exhaust system is a handmade exhaust version with a larger passage to the reqierments of our customers, and has therefore a better exhaust gas routing than any other standard exhaust system.

These items are specially made to order. The production time is currently about 3 weeks with our current order situation.

HERE YOU CAN ORDER A SYSTEM

Kind regards,
JÜrgen Albert
