Are the Fuchs design rims also available with a matt silver star?

Beitrag von „Frage -> Antwort“ vom 6. April 2022, 08:18

Hello Albert Motorsport,

I am interested in a set Fuchs design rims for

my Porsche 911 in 8 and 9 inch widths.

Are these rims also available with inside

matt silver? If yes, I would like one Order a
set of wheels.

Regards,

Andre Berxxxx
