A sports car as extraordinary as the 911 Sport Classic is worth more than a thousand words. But that doesn't mean it shouldn't be talked about anyway: a conversation with the car's designers – Grant Larson, Daniela Milošević and Chris Holzinger – as well as Boris Apenbrink, the then Project Manager of the first, 997-generation 911 Sport Classic and the present-day Director of Porsche Exclusive Manufaktur Vehicles.
