The first qualifying round for the 2023 Porsche Esports Supercup starts on 23 July. All online racers with an iRacing account and a class A license are eligible to participate. The top 15 drivers qualify for the Contender Series, which begins in September. From the Contender Series, sim racers can qualify for the 2023 PESG. All contestants drive the digital version of the 992-generation Porsche 911 GT3 Cup.
